

Spring Boys HIGH SCHOOL Challenger League

At Northern Utah United we believe it is important that all youth that want to play soccer have a place to play in our community. For many years we have had the challenge of providing a local experience for high school aged players not participating in their High School program. These players that want to play during their High School season have had to create provisional teams that travel all over the state for games. Those games require extensive travel, expense, and often very lopsided competition. We think that there is a better solution, one that allows players to compete in our community while representing their high schools.

Additionally, this program also allows for additional developmental play for players that didn't make their current High School team, but want to continue to develop and have a collaborative team experience with other players from their high school. This program has been developed with the knowledge and support of all of the high school soccer coaches for all high schools in Cache, Box Elder, and Franklin (ID) counties. The hope is these players will continue to play, and will be in viable contention for future High School teams.

REGISTER and Represent your High School!

Cost: \$100 per player* - includes Registration, league fees, field fees, insurance, and Jersey with their HS Mascot. Fees can be paid in two equal installments.

**It does not include referee fees which will be collected by the coach and paid out at the games.*

Play format: 7v7, with teams from with 7-10 players.

Age: We are hoping for two divisions.

One for players born in 2005-2007, and one for players born in 2002-2004

Registration Deadline: Monday, March 15th.

Season: Games will be twice a week, and will begin in April.

To Register, go [to: http://uysa.affinitysoccer.com/eventmanager/public/event.asp?calid=12507907](http://uysa.affinitysoccer.com/eventmanager/public/event.asp?calid=12507907)
