Photo/Image Upload: Fixed Crop

Feature Update: The Photo/Image Upload now automatically adjusts the uploaded image to fit the 50X60 area for ID Cards/Passes and automatically adjusts crop parameters to fit the 50X60 area when utilizing the edit/crop tool.

Updates include:

- System will automatically adjust image to fit
- When cropping the image the crop tool will auto adjust
- Moveable crop window for easy and exact placement
- All previously uploaded images are adjusted
- Does not affect Birth Certificates, Certification Documents, or Driver's Licenses

Moveable crop window allows
for easy adjustment.

Odd shaped images will be
automatically adjusted to fit.

Upload Profile Photo
Name: Child4321 Test4321
DOB: (01/01/2007)

Use editing tools to adjust image, then click "Upload Image" to upload

Select image area to crop	Resize image to	Rotate (clockwise)
<input type="button" value="Crop"/>	50 <input type="checkbox"/> % <input type="button" value="Resize"/>	<input type="button" value="Rotate"/>
<input type="button" value="Undo to original"/>	<input type="button" value="Load Other Image"/>	<input type="button" value="Upload Image"/>

Selected Image:

Crop area will automatically
be adjusted to fit.
