

LICENSE WAIVER

An E-License is required for all coaches who wish to coach in the X-League, in Local Developmental programs or in the UYSA State Competition Gaming League. A D-License is required for all coaches coaching in the UYSA State Competition Gaming League with two or more teams. If you do not have the appropriate license, you must apply for a waiver and pay a \$25.00 fee which is effective until the next series of "E" or "D" courses. You may only apply for a waiver once in a lifetime; you may obtain an extension of your "E" or "D" Waiver by completing UYSA's License Waiver form and submitting it, **prior to expiration** of the Waiver, to the State Office along with a \$50.00 extension fee.
