License waivers - are available for coaches who do not currently have a coaching license (with the exception of the "F" license, which can be obtained online at any time). Waivers are good for one season, and may only be granted to an individual once in a lifetime. Once the waiver is expired, the coach will no longer be allowed to coach until they receive their coaching license, or apply for and receive a one-time extension (where applicable). D waivers may only be granted to coaches who already hold an E license. Waivers can be applied through the Utah Youth Soccer Association, after the coach has registered online. We have an E license course scheduled for 7/31, 8/1, 8/3, & 8/5th at Logan HS. Please register asap! The cost is \$125

Check the State UYSA website for information on any D license courses that are currently scheduled, at: www.utahyouthsoccer.net.

Both E and D license courses have pre-course assignments that must be completed prior to the clinic, so please register as quickly as possible and get started on the pre-course modules. Space is limited and we have many, many coaches in the valley that need to take these courses, so register quickly if you want or need a spot.

All Coaches Licensing is done through the Utah Youth Soccer Association - Check out the UYSA website for more info on licensing clinics and Waiver information, and how to register, at:
<http://www.utahyouthsoccer.net/coaches/coachingeducation.aspx>

NUU will reimburse coaches for ½ of the cost of their licensing class. Just email a copy of your license when you receive it, along with your address, and we will mail you a rebate. What's New? -

NUU U7/U8 Academy - This program is a step between Recreational Soccer and Competition soccer. The format is 4v4, with no keeper, and was developed for those players who feel that they are not getting enough competition in the Recreation program, and want more training to prepare for Competition soccer.

For more information on the specifics of the Academy program, go to our website: www.NorthernUtahUnited.com under resources and look for the document on the NUU U7/U8 Academy Program.

Northern Utah United is stepping it up! - This year, NUU has big plans. Our board of Directors is committed to adding more services to our current roster of services including extensive Coaching Education, Organizing travel tournament teams to get our top athletes to Showcase tournaments and be seen by college recruiters; Adding a developmental Academy for our U7/U8's (above); Camps and training opportunities; and other services. These additional services will be available to all of our teams. Considering that we already have the largest Player-pool in Region 1, adding these additional services will make NUU the premier club in Northern Utah's Region 1 - giving our talented players a pathway to succeed at the highest level in youth soccer.

Fee Raise - NEW EQUIPMENT - Yep, unfortunately our fees have increased. For more specific information on our fee increase, go to: www.NorthernUtahUnited.com and look for the article: "Why raise fees" on our resource page. Along with those increased fees, however, comes the replacement of ALL of our U10 - U12 goals from 21' goals to 18'6" goals in compliance with new recommendations and mandates put out by US Soccer Federation, US Youth Soccer, and the Utah Youth Soccer Association.

Website - We are updating and adding resources for this next season as quickly as possible. Currently, we are reorganizing our tryout pages, and updating our resources pages with the new season information. If you don't find what your looking for, check back. We've got a ton to update, and we're working on it!
