****Includes new UYSA mandatory Legacy Field Fee - \$40 per year.**

Player refunds - No player refunds will be extended after registration is received, unless the reason the player is withdrawing is the fault of the league, ie: not enough for a division, etc

- Referee Fees -

UYSA's Competition League & X-League

State Competition Referee fees are now collected electronically in advance.

UYSA will send out an email to all state competition teams, informing them of how to pay and how much to pay **per team**.

The fees will be due around August 15th in Fall, and March 15th in the Spring.

Just to give you an idea (may not be accurate - this is just an estimate based on Spring 2015 fees) - based on a 10 game season:

U9 = \$110 (+/- \$20, depending on the number of games)

U10 = 220 (+/- \$40, depending on the number of games)

U11-U14 = \$320 (+/- \$60, depending on the number of games)

U15 and up = \$410 (+/- \$80, depending on the number of games)

Challenger League

Challenger League Referee fees will be paid on the field in CASH in advance of the game, in the following increments (remember there are two linesman per game and one center).

Age Group	U10	U11-U14	U15-U19	Unregistered Ref
<i>based on</i>				
# of Games*	*10	*12	*12	All age groups
Center	\$10	\$15	\$20	\$5
Per Linesman	\$ 6	\$ 8	\$10	\$3
Total Game / team	\$ 22	\$ 31	\$ 40	\$ 11
Total to Collect	\$220	\$372	\$480	

**teams may not play this full number of games. This is an estimate.*
