Go to the Affinity Sports Log-in, by using this URL, <http://uysa.affinitysoccer.com/reg/index.asp?sessionguid=> or by clicking [HERE](#).

Use your username and Password to sign in. If you don't know it, contact your registrar.

Once you are in, scroll down until you see the "**Teams**" tab, and click it.

Your team name will come up, and to the right of it, you will see "**Team Info**". Click on it.

Click on the Tab above that says "**Tournament Roster**" then click on "**Create New Request**".

Fill in the information on this page, then **Save and Continue**.

Your team roster will come up, and here you can edit your roster, by removing players that will not attend the tournament, or adding guest players. When you are done, click on "**Review and Submit**".

Then Click on **Submit application**.

Next, click on the "**Review tab**", and then you will see the "Print Photo roster" button.

If you make changes to the tournament roster, sometimes the Print Photo roster button will not show up again. That's ok, you can just create a whole new tournament roster. You will need 6 copies of this Tournament photo roster at check-in.

The Photo tournament roster will look like this:
