

Dear **Northern Utah United** Soccer Member:

**Scoreboard Sports** is excited to announce a partnership with **Northern Utah United** to help its teams secure the best soccer products at the best value and the easiest process. The size of the organization your part of allows us to extend to you great pricing in a very simple manner.

We have all the main brands and we also can help you with off-branded products if you like to do a T-shirt or hoodie along with your branded products. Take a look at the links page and shop the brand of your choice. Then use our awesome WEB site that will allow you to see just like we do the actual inventory that the name brands we carry have in stock so you do not have to wonder what you can get versus not.

Go to this URL - [nuusoccer.scorebrands.com](http://nuusoccer.scorebrands.com) put in access code **nuu2018**. A pop up will come up when you click "sign in". Make sure you click the "register" tab on the sign in pop up. This is where you will put in the access code and your contact information. You will also put in a password - Make sure to remember this. When you sign in again, your login information will be your email and password. You will then enter your information and select your brand - model and sizes. Submit the order. Payment will be taken once your order is completed and ready to ship or for pick up. There will be a small shipping charge for each item to get them in from the manufacturer.

At that point fill in the Scoreboard Sports Order form spread sheet, to be found on the NUU website at: [www.NorthernUtahUnited](http://www.NorthernUtahUnited.com) under Resources and Downloads, email it to me and I will reach out to you to wrap up all the decoration details, timing, etc. We will then get you a mock up of the pieces you're having decorated and once your order comes in you'll have the choice of picking them up at our warehouse in North Salt Lake or for \$10.00 per team we will ship them up to you so you can distribute them to your players.

Take advantage of this great opportunity. Start now as stock changes by the day and we are excited for this opportunity to take care your needs for the 2018-19 season.
